Doing Good:

All Sponsors have the option to gift some or all of their tickets to create opportunities for students to attend FUZE. This initiative ensures the room is filled with both current and future marketing leaders within the province.

How it works:

- Sponsors indicate at the time of commitment if they wish to gift their tickets.
- Gifted tickets are allocated to business students (with a preference to Marketing Majors) from both Saskatoon and Regina.
- Sponsors who gift tickets receive public acknowledgement during the event and in digital materials.
- A dedicated “Thank You” announcement will highlight all sponsors who help make startup participation possible.
